Caution! Internet Instruments

It is not recommended to purchase an instrument over the Internet. Buying an instrument from eBay or Amazon is extremely risky. Some of these instruments you will see the price and think you have found a deal. These instruments are considered disposable. They cannot be repaired and will have to be replaced. The materials used are not international standards and once damaged or worn, they become useless. These instruments usually last about a month or two, depending on student care.

¡Precaución! Instrumentos de internet

No se recomienda comprar un instrumento a través de Internet. Comprar un instrumento en eBay o Amazon es extremadamente arriesgado. En algunos de estos instrumentos verá el precio y pensará que ha encontrado un trato. Estos instrumentos se consideran desechables. No pueden repararse y deberán reemplazarse. Los materiales utilizados no son estándares internacionales y una vez dañados o desgastados, se vuelven inútiles. Estos instrumentos generalmente duran alrededor de un mes o dos, dependiendo de la atención del estudiante.
