WELCOME...

...to Shotwell Academy and **The Mighty Shotwell Shark Band!**

Our goal is to provide a musical education that will help you towards being successful in all avenues of life. We do not expect every person to be a virtuoso musician or performer. We do expect mature, responsible attitudes and actions – and lots of hard work! There are no bench players in band, EVERYONE is a starter.

The success of any organization is dependent on the spirit, pride, leadership, teamwork, dedication and cooperation of all its members. Certain rules, guidelines and procedures are necessary so that the overall goals of the group are met and the welfare of each individual is best served.

Being in the band program is not a pick and choose what to participate in. By being enrolled in this program you are agreeing to participate in all that is required of you.

The purpose of this handbook is to provide a written policy on the organization, grading system, and expectations of the Shotwell Academy Band Program. It is not intended to be all-inclusive, as every possible situation and question cannot be predicted in advance; however, a thorough knowledge of these materials is essential to the smooth operation and success of the band program. **Parent(s) are to sign and submit the Parental Contact Information (PCI) form on our website.**

Shotwell Band Staff:

The teacher's name on your students schedule MAY NOT reflect who actually instructs that course.

Mr. Rudy Cano – Director of Bands

- Conducts and grades students enrolled in Honors Band, Beginner: High Brass, Low Brass and Percussion
- Assists with instrumental instruction in Symphonic Band and Concert Band
- Instructs Master Classes for all Brasses and Percussion

Ms. Melisa Douglas – Associate Director of Bands

- Conducts and grades students enrolled in Symphonic Band and Concert Band, Beginner: Flutes, Clarinets, Saxophones, Oboes, and Bassoons.
- Assists with instrumental instruction in Honors Band
- Instructs Master Classes for all Woodwinds

Code of Conduct:

Band Hall Rules & Essential Agreements

- Follow instructions the first time they are given.
- Follow all learned procedures.
- Bring your instrument and all necessary materials to class **EVERYDAY**.
- Respect yourself and your property, as well as others and their property – if it is not yours, do not touch it.
- Non-band students are not allowed in the band hall at any time.

Care of the Band Hall

- **Band Hall** – Is a safe-haven for musical creativity. Only band members are allowed inside. There is no playground behavior accepted (running, shoving, pushing, etc.).
- **Refreshments** – No gum, food or drinks are allowed except when authorized by the directors.
- **Litter** – All trash (paper, broken reeds/drum sticks, etc.) is to be deposited in the wastebaskets provided.
- **Practice & Ensemble Rooms** – Are designed for rehearsing and practicing, NOT social gatherings.
- **Instrument Storage Room** – Is designed for storing musical equipment, NOT for social gatherings.
- **Band Hall Office** – Is for director's use only. Student's should KNOCK first and wait to be invited in; otherwise, it is off-limits.

Students will be successful when they live within these expectations. When problems arise, they can almost always be traced back to not following a procedure. We will follow the Shotwell Academy Middle School and Aldine ISD discipline plans. Again, these rules are important to the success and well being of our band students as well as for the protection of the band hall and the materials within. We expect our band students to follow these guidelines and also help us enforce them.

Expectations:

Behavior

All students are to conduct themselves properly at all times. Displays of temper, profanity, flagrant violation of rules, etc., will not be tolerated. Any behavior which is not conducive to good citizenship or which violates the Aldine ISD Student Code of Conduct may result in suspension from participating in the extracurricular/incentive activities of the organization, or dismissal from the organization altogether.

Rehearsals

Band students must be organized and prepared for EVERY rehearsal. When an individual is not able to play his/her instrument during a rehearsal, it hurts the group as well as the individual. It is important that the student's instrument is in good working condition, that he/she has a pencil to mark music, and he/she has all necessary materials and accessories (band binder, music, reeds, oil, etc) for EVERY rehearsal.

Master Classes

Members of the **Honors and Symphonic Bands** must attend **ALL** Master Classes scheduled. Master Classes will be held after school once a week after final dismissal till activity bus dismissal (approximately 4:30-5:30). **Specific days will be posted on our website.**

Master Classes are a curricular extension of the instruction in Honors and Symphonic Band classes. We work together with our athletic department and all other sponsors at Shotwell. We are extremely proud that our members are also vital parts of other organizations and we try to avoid as many conflicts as possible. If a conflict does occur, the directors/sponsors of both groups will work with the student and parents so that the student's and the group's best interests are met. Athletes are allowed to miss 1 day of practice to attend their Master Class. We have a set schedule; however, these days are subject to change depending on scheduling conflicts. **There is an activity bus that can take band students home, if needed for those who are already bus riders.**

After School Dismissal

All students will remain in their last period class until their mode of transportation is released. Once they are released then each student will pick up their instrument from the band hall and exit the building or report to their designated after school program.

Practicing

All members of our band program will put forth the effort and time necessary in practicing their instrument in order to be successful. **Instrument goes home EVERY day!** Spend a minimum of 30 minutes a day working through skills/music/exercises introduced in rehearsal and Master Classes. It is recommended to break up the time into *two* 15 minute sessions or *three* 10 minute sessions. Students will not progress as needed by playing once every 24 hours. Students must break up the 23 hours we do not see them with practice. Here is a simple practice outline:

- Fundamentals – long tones, flexibility, flow studies (5 mins.)
- Scales – scales and rhythm exercises (5+ mins.)
- Music – new and previously learned (20+ mins.)

Fundraising

All members of our band program are expected to participate in our fundraising events. All funds raised go towards maintaining the program, clinicians, food and most importantly our buses. Students who do not participate in fundraising will not be invited to events that utilize these funds. This will include our incentive field trips.

MANDATORY PERFORMANCES

Band is a performance class!

PERFORMANCES: All members of a performing band (Honors & Symphonic) are required to perform at all scheduled concerts and/or contests. Parents will be notified of performance dates well in advance. All dates will be posted on our band calendar located on our band website. Parents and students are expected to adjust their schedules to these events. If a student misses a required performance, a parent-teacher conference must be scheduled to discuss the absence. **We expect 100% participation at all performances. Missing a performance will result in a failing grade.** Please check the Band Calendar located on the website. Good behavior in public is most important. All rehearsal regulations are in effect during public performances.

- **CONCERT BAND PERFORMANCES:** All members of Concert are required to perform at the following concerts: Winter Concert, AISD Solo & Ensemble and Spring Concert. All other performance opportunities are by INVITATION ONLY. Invitations will be **earned** on knowledge of music, behavior in rehearsals/class, and eligibility.

BAND REALIGNMENT & REASSESSMENT

The Director of Bands, Mr. Cano, has the authority to change student schedules.

- At the end of each semester we will re-evaluate each student to determine whether realignment is necessary.
- Realignment may occur in order to “balance” each performing ensemble.
- Students, who perform at a level (performance, behavior, and eligibility) that warrants that student being re assigned to a higher band, may have that opportunity awarded to them at the DIRECTOR’S DISCRETION.
- Students who perform at a level unacceptable to the band that they are in (performance, behavior, and eligibility), may be re-assigned to a lower band based on the DIRECTOR’S DISCRETION.
- STUDENT BAND REASSIGNMENTS will also be based on the availability of the student schedule being changed. If a student is reassigned, this will alter the student’s course schedule.

CELL PHONE POLICY

Band students must adhere to the new Aldine ISD cell phone policy.

The following bullets are key points within the new policy that pertain to the band program:

- Cell phones must be turned off and cannot be visible on campus during the school day.
- The campus includes loading and unloading areas for cars and buses, in the building, or on campus grounds.
- The school day includes, but is not limited to, before or after school, class time, passing periods, lunch periods, after school detention or tutorials, during emergency drills, *practices for extracurricular events and field trips.*
- Placing a cell phone on vibrate or texting is not considered off and is prohibited.
- Using a cell phone to record or video tape is prohibited.

(Cell phones cannot be visible during performances)

NO STUDENT WILL HAVE A CELL PHONE IN THEIR POSSESSION DURING THE UIL CONCERT & SIGHT READING CONTEST PROCESS.

DISCIPLINE CONTRACTS

A band student may be placed on a written discipline contract for failure to meet any or all of the obligations set forth for their band as well as for disciplinary problems. Failure to meet the terms of the contract will result in the band member being excluded from attending band-activities. This includes going on the band field trips throughout the school year. Only students who adhere to the rules, regulations, and obligations set forth for the band will be rewarded with special privileges. This discipline contract will be signed by the student, a parent, the director, and a principal.

VIDEO/SECURITY RECORDINGS

We will be making video recordings of the band students when they attend football games, pep-rallies, and other activities. This will be done so that we can watch the videos as a class. Your child will be able to see and hear the band as an audience would have seen them. This will build ownership and pride within your child. We will also video band rehearsals purely for analytical purposes. A security system with time-lapse recording is maintained in the band hall. This system records sound and picture and is used only for the purposes of deterring: theft, vandalism, and malicious activities. In the event it becomes necessary, the video will be viewed only by administration, the band directors, Aldine Police, and parents of those students involved.

Parent Responsibility Policy:

Parents must register for **Remind Notices**:

- www.remind.com or text student class code to **81010**.

Our band attends several events and activities that require us to travel to various locations. It is the parents' responsibility to have their child at the school, or designated location, on time. It is just as imperative that you, the parent, pick up your child at the designated time. You will receive all information of events well in advance of the activity. We understand delays may occur. **However, if you are over 30 minutes past the designated pick-up time, a parent-teacher conference will be set up to discuss future travel arrangements.**

If you need to discuss anything concerning the progress of your child, please feel free to call us at Shotwell. Mr. Cano and Ms. Douglas may be reached at the following:
