

Name: _____

Rhythm Diagramming Warm-Up

Warmups are due on the last day of the week

Diagram each notation 10 times

9/6/16

The notation shows a horizontal line with a double bar at the start and end. A vertical line divides the line into two equal halves. Above the line, a red zigzag line spans the first half, and another red zigzag line spans the second half. Below the line, a red oval containing the text "1 + 2 + 3 + 4 +" is positioned under the first half. Below the second half, the text "1 + 2 + 3 + 4 +" is written in red.

9/7/16

The notation shows a horizontal line with a double bar at the start and end. A vertical line divides the line into two equal halves. Above the line, a red zigzag line spans the first half, and another red zigzag line spans the second half. Below the line, a red oval containing the text "1 + 2 +" is positioned under the first half. Below the second half, the text "1 + 2 +" is written in red.

9/8/16

The notation shows a horizontal line with a double bar at the start and end. A vertical line divides the line into two equal halves. Above the line, a red V-shape spans the first half, and another red V-shape spans the second half. Below the line, a red oval containing the text "1 +" is positioned under the first half. Below the second half, the text "1 +" is written in red.

9/9/16

The notation shows a horizontal line with a double bar at the start and end. A vertical line divides the line into two equal halves. Above the line, a red diagonal slash spans the first half, and another red diagonal slash spans the second half. Below the line, the text "or" is written in the center. Below the first half, a red oval containing the text "1" is positioned under the first half, and another red oval containing the text "+" is positioned under the second half. Below the second half, the text "1" is written under the first half, and "+" is written under the second half.
